

Boyology: A Teen Girl's Crash Course In All Things Boy with

Sarah Bunningham

BOYOLOGY delves into the mysteries of teen guys, dissecting flirting tactics, offering dating suggestions, and providing tips on forming solid friendships with guys. This is an upclose-and-personal look at everything a girl has ever needed to know about dating. Parents will appreciate that the author handles discussions about kissing and beyond with grace and tact. Some of the basics Sarah will include are:

- B-O-Y basics
- Determining which "breed" of boy you're dealing with
- Figuring out first dates and the rest of the dating game
- Setting your boundaries
- Outside forces: friends, parents, and other factors
- Boy friend vs. boyfriend (there is a MAJOR difference!)
- Breaking up, getting back in the game, and much more.
